

Platform Subscriptions

One place for property media, floor plans, AI design, live review and buyer engagement.

Up To 3 Properties \$149 per month 2 named host seats 180 meeting minutes / month	Up To 7 Properties \$299 per month 5 named host seats 420 meeting minutes / month	Up To 12 Properties \$449 per month 10 named host seats 720 meeting minutes / month
Single Property 1 active property 1 host seat 60 meeting minutes / month \$79 / month		

The Same Core Platform In Every Plan

Bring your virtual experience, photography, video, floor plans and property details together. Share and embed listings, receive inquiries, review engagement, explore AI decluttering and redesign concepts, and meet live inside the property with guided navigation, chat and screen sharing.

Additional Capacity & Usage

Option	Rate
Additional active property, including 60 meeting minutes	\$49 / month
Additional meeting time: 300 minutes (5 hours)	\$20
More than 12 active properties / brokerage requirements	Custom quote

An active property is one published property experience. Meeting minutes are pooled across your account. Guests join without a paid seat. Media production and new-property setup are priced separately. AI design generation credits are quoted separately.
